

Olivier Legrain

IBA

**Chief Executive Officer
Vice Chairman of the Board
Louvain-la-Neuve, Belgium**

Olivier Legrain, married and father of two children, is graduated in economics from the Free University of Brussels (ULB) in 1992.

After four years as auditor with Didier Claes and Associates, Olivier joined IBA SA in 1996 as Controller and was particularly involved in the IPO of the company. In 1998 he was appointed Chief Financial Officer (CFO) of Scanditronix Medical AB Sweden, the new subsidiary of IBA's dosimetry activities.

He returned to the Belgian headquarters for a period of two years before taking the roles of Chairman and Chief Executive Officer (CEO) of Wellhöfer Scanditronix AB from 2001 to 2003 in Sweden. After having successfully managed the dosimetry branch of operations, Olivier Legrain took control of IBA Molecular in 2003 as President. IBA Molecular used to be the radiopharmaceuticals branch of IBA Group. These activities were sold in 2015 in line with the company's strategy to divest non-core assets to focus on proton therapy and associated technologies.

In 2011, he was appointed Chief Strategy Officer of IBA Group and in May 2012, he became Managing Director and CEO. Since June 2026, in addition to his CEO role, he has held the position of Vice Chairman of the Board.
